PROGRAM REQUIREMENTS

We as the members of Livermore-Pleasanton Explorer Post #933, take everything very seriously as a sign of pride, dedication, and overall seriousness. One thing that we expect from all Explorers is commitment and attendance. In order to be an Explorer in our post, attendance is an **ABSOLUTE** must and nearly every drill training day must be attended. There are expectations to this rule as you will learn if selected to be in our post.

Lastly, we take safety very seriously as well. Safety for ourselves and for others is always the #1 priority.

LIVERMORE-PLEASANTON FIRE DEPARTMENT EXPLORER POST #933

Who Are We

The Livermore-Pleasanton Fire Explorers Post #933 was established in 1999 by Captain Jorge DellaSanta. We are a program dedicated towards training tomorrow's firefighters through the Livermore-Pleasanton Fire Department and the Boy Scouts of America. Trained by Firefighters themselves, our Explorer Post provides many different hands-on training experiences ranging from auto extrication, to basic medical skills, and many other basic firefighting skills.

Our Explorers earn the right to experience first-hand what a Firefighter does when they ride along with paid Firefighters in the LPFD. Explorers' daily activities include anything from cooking and eating with crews, to working out, to helping with station chores, to responding to structure fires, and much more. The Explorer Post and the LPFD provides an excellent start to a Firefighter career.

Thank You

The Livermore-Pleasanton Fire Explorers Post #933 would like to thank you for reading this pamphlet. It highlights the main ideas of who we are, what we do, how to become an LPFD Explorer, and some of the basic expectations that must be followed if accepted into the program. If interested in becoming an Explorer, you must apply and we look forward to seeing you in the interview process. If you would like more information about the Post, contact our Post Coordinators: [Firefighter-Paramedic Ryan Capes](#) or [Firefighter-Paramedic Bobby Hernandez](#). Thank you for your time and interest in the Livermore-Pleasanton Fire Explorers Post #933.
